The President's Message

Dear Friends:

Sober thought quickly comes to the conclusion that the principal purpose of any secondary school is to train its young people in the academic pursuits of their chosen field. We should never lose sight of that trusim.

No interscholastic athletic program should be so intense in its purpose as to lose sight of the prime purpose of a high school experience for the young people involved. But let me add, that interscholastics athletic programs can and should be an integral part of a well-rounded high school program.

To me, the academic program of our high schools is the "bread and butter" part of those schools as is their reason for existing. The interscholastic athletic program, or any other extra curricular activity, is somewhat like honey or jam with our bread and butter to make that combination still more enjoyable and valuable than if the additive were not present.

I believe that practically all of us agree that self-discipline is the goal of all discipline. I like to think that this organization is the instrument by which interscholastic athletic programs statewide has disciplined themselves for the good of all concerned. To me, such a process is far superior to discipline administered in any other way.

Organizations such as this one are at times under severe pressures to change existing patterns in order to popularize certain facets of its operation. I am well aware of these pressures.

You and I know that pit-falls are plentiful, and yet, if you and your leadership continue to keep the good of children ever foremost in your mind, I have no fears for the future.

It is again with humility and pride that I thank you for your confidence by selecting me to serve as your president another year. Please feel free to call on me and the state office anytime we may serve you.

Respectfully yours,
M. E. Nichols, President

From The Secretary's Desk

This section of the Bulletin contains in summary form special information.

FOOTBALL MOUTH PROTECTORS—Beginning with the football season of 1962, mouth protectors are mandatory under the football rules. This is a safety measure designed to decrease dental and facial injuries. Fitted mouthpieces are recommended but are not mandatory. There are a number of mouth pieces that meet the rules requirement. In a case where a player due to some unusual condition cannot wear a mouth protector, it will be necessary that there be on file in the school office a certificate from a dentist certifying to the inability of the pupil to wear a mouth protector.

PROVISIONS FOR MEDICAL SERVICES—FOOTBALL—It is strongly recommended that a physician be made available by the home team at all varsity football games. It is also strongly recommended that each school have arrangements made locally for quick medical service for any accident occurring in practice in any athletics.

FOOTBALL PRACTICE—In an effort to get football players into better condition and in an attempt to reduce injuries, a school may begin organized work in football a week prior to the opening practice date, provided that pads are not used during this time period. Headgears, shoes and mouthpieces are not considered pads and should be used to reduce injuries.

FOOTBALL PLAYOFFS—The State Finals in football will be alternated from year to year from one section of the state to another with the host or home team being determined in advance.

For 1962, in Class AAA, A, and C the Southern Division winners, and in Class AA and B the Northern Division winners will be the home or host team, and will determine the site of the championship game. Locations will be reversed by sections for 1963.

A change has been made in the financial program for playoffs. Total gate receipts will include all charges plus any payments for broadcasting and/or televising. Concessions and program sales will not be included in total receipts.

Gross Receipts will be total receipts minus 3% State Sales Tax. From the Gross Receipts the following deductions will be made: (a) Mileage at the rate of \$2.00 per mile one way to be paid the visiting team; (b) 10% of the Gross Receipts to be paid to the GHSA; and (c) cost of game officials to be paid to the game officials. The remaining balance is to be divided equally between the two teams.

Local service charges, stadium charges, lights, cost of operating

personnel etc., are not to be deducted prior to the division of funds. All such expenses are the responsibility of the home or host team.

FOOTBALL EXPERIMENT—Region 3AA has been given permission to use a special type of playoff with either of its sub-regions should there be a tie in the sub-region involving three or more teams. Under this experiment the tied teams will play each other on an elimination basis for a time equal to one half of a regular game with the penetration system being used. For example if three teams are tied, A plays B and the winner would meet C. If four teams are tied, A plays B, C plays D, with the winners meeting. The playoff would be a one night affair with all teams playing in the same location in tournament type elimination play.

SPECIAL FOOTBALL PROVISION CAVE SPRING-GEORGIA SCHOOL FOR DEAF—Due to the fact that Cave Spring high school is a public high school and that Georgia School for the Deaf is operated as a special institution, it is not possible to consolidate these two schools. The State Executive Committee has authorized for a two-year period the combination of the student bodies of these two member schools into one football team. The total of the pupil enrollment of both schools is well under the limit for Class C. This special provision applies for football only.

PHYSICAL EXAMINATIONS—Every pupil participating in athletic competition is required to have on file in the school office a certificate from a physician stating that the pupil has been examined at the beginning of the season in the sport in which the pupil is participating and that the pupil has been physically approved for participation. No pupil is to be permitted to participate unless a certificate has been filed by a physician approving participation of the pupil.

MIGRATORY RULE—The migratory rule applies alike to all member schools. A pupil who transfers from a private school to a public school, or from a public school to a private school is subject to the same standards of eligibility. There are no exceptions made because of the type of transfer.

ELIGIBILITY STANDARDS—JUNIOR VARSITY AND "B" SQUADS—Pupils participating in Junior Varsity and "B" Squad competition are not required to meet the regular eligibility standards. Such participants are required to meet only the age limit and the eight semester standards. Eligibility certificates are not required for pupil participating on Junior Varsity and "B" Squads. However, a school should certify any pupil participating who meets all requirements as the school may wish to promote the pupil to Varsity competition for which certification is necessary.

TRACK—Limitation on the number of events that an individual may enter in track has been changed. A contestant may enter both relays and any combination as below:

1. Three field events.
2. Two field events and one running event.
3. One field event and two running events.

This permits a contestant to enter three events and the relays, but in the individual events not more than two may be running events. There is no restriction as to the distance in which a contestant may run in the running events.

The use of flights to determine winners in two-mile, mile and half mile has been eliminated. The two-mile and the mile will be run as finals on the second day of the State Track Meet. The half mile will be run with preliminaries on the first day and finals on the second day.

NATIONAL ESSAY CONTESTS—It has been a policy of the GHSA not to approve any contest of a national nature unless such contest has first been approved by the Contest Committee of the National Secondary School Principals Association, Division of the National Education Association. A year ago the national committee advised that beginning in the 1962-63 school year no national essay contest would be approved. In view of this action schools are advised that there are no approved national-essay contests for the 1962-63 school year.

SPRING BASKETBALL PRACTICE—Spring basketball practice is limited to a period of 28 consecutive calendar days and must be completed prior to June 1st. However, practice for boys and for girls may be held at different calendar intervals. The practice for both does not have to be concluded in the same 28 consecutive calendar days. A time period of 28 consecutive calendar days may be used for boys practice and a different 28 consecutive calendar days may be used for girls practice.

TERMINATION TIME FOR REGULAR SEASON BASKETBALL GAMES—All regular season basketball games must be terminated not later than 10:00 P. M. Game officials are instructed to stop a game at deadline time with the team ahead at the deadline time declared the winner. When there is a foul committed prior to the deadline time, the team entitled to the free throw or throws shall be given the opportunity to attempt throw or throws even if such attempt is after the deadline time.

NOTIFICATION OF ENTRY IN SPECIAL STATE EVENTS—Notification of entry in Cross Country, Swimming, Wrestling and

Golf AA, A, B and C must be made in writing to the State Office by the deadline given in the section regarding each of these events. These events are planned based on the number of entries. Only those schools who file entries prior to the deadline will be permitted to enter these events.

NUMBER OF ENTRIES IN STATE EVENTS IN CLASS AAA

—Due to the establishment of five regions in Class AAA changes have been made in the number of entries from each region in Class AAA in the Boys State Basketball tournament and the State Tennis tournaments. The number of entries from each region in the other events remains unchanged.

In the Boys State Basketball tournament the first three teams from each region will qualify. In Tennis only the region winner in the respective event will qualify.

UNSPORTSMANLIKE AND FLAGRANT FOULS—Football and basketball game officials have been directed to report the following types of fouls to the State Office. Information in regards to these reports will be relayed to the school concerned.

Football—

1. Any foul for which a player is disqualified.
2. Any foul involving unsportsmanlike conduct by a player.
3. Any foul called because of unsportsmanlike conduct on the sideline by any person on the team's bench or sideline.

Basketball—

1. Any flagrant technical foul or flagrant personal foul that results in disqualification of a player.
2. Any technical foul of an unsportsmanlike nature called against a player, coach or bench occupant.

FILING OF HARDSHIP CASES—In order for a case to be considered by the Hardship Committee complete information must be filed in writing with the State Office at least ten days prior to the meeting of the Committee. Postmark date will be considered the time of filing. Complete information is necessary as the Committee may not be able to act on what might be a good case if all materials were complete. An early filing date makes it possible to notify the Secretary of a region of any school in the region filing a case. When a case is heard a representative of the school concerned along with the pupil involved is expected to be present.

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9—A policy was set up several years ago by the State Executive Committee that any request for a change in the record as to date of first entrance into grade 9 must be accompanied by a check, money order or cash in the amount of \$10.00, and that

the records of the school making the request for change be checked by some person designated by the State Executive Secretary-Treasurer with the recommendation of the person making the examination being necessary before any change can be made.

Upon receipt of a request, accompanied by the necessary fee, the State Executive Secretary-Treasurer will designate a visiting examiner to check the records of the school concerned. The visiting examiner checks the records and makes recommendation to the State Executive Secretary-Treasurer who acts on the recommendation.

ELIGIBILITY REPORTS—The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Some of the items to which specific attention should be directed are:

1. Eligibility Certificate—
 - a. Submit original and two carbons.
 - b. List in alphabetical order, last name first.
 - c. Separate report is NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed in the State Office for that pupil during the year.
 - d. Boys and girls may be listed on the same sheet.
 - e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
 - f. Signature of Principal or Superintendent is necessary.
2. Individual Sheet—
 - a. File ONE sheet for each pupil who is being reported for the first time. After an individual sheet has been filed from a school no further individual sheet is necessary from that school for the pupil.
 - b. List name of each pupil in full. Nickname can be placed in parentheses after the name. Listing pupil as "Junior" Jones or "Slim" Jones makes it difficult to identify pupil on future reports.
 - c. Give date of birth.
 - d. Be sure that the section showing date of completion of 8th grade and first entrance into 9th grade is complete and correct. This can affect very seriously the future eligibility of a pupil.
 - e. In case a pupil being certified for the first time is above 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade begin-

ning with 9th. Be sure this attendance record is in agreement with the section showing date of first entrance into grade 9.

- f. If any situation in which a pupil is a transfer to your school from some other high school, it is necessary for you to file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence.
3. General—
 - a. The record submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error made on the original filing can cause difficulty one to three years later.
 - b. Individual sheets carry the signature of the Superintendent or Principal and should be completed by school authorities based on school records.

SUBSTITUTION IN QUARTET AND TRIO—A school which qualifies in Quartet or Trio in the region meet is not required to use the identical participants in the State Meet as those who competed in the region meet. Any eligible pupil who has been properly certified may replace any pupil who competed in the region meet in Quartet or Trio.

HAND PROPERTIES—Hand properties are usually items carried by the actor, but also properties that are on the stage which are picked up, or carried, or moved, or used in some way by the actor and are not mostly decorative or ornamental in terms of the setting. An object that is carried in the hand or on the person or is on the set but is picked up and used by the actor is termed a hand property and not a set property which is decorative only.

In order to insure uniformity in interpretation, each school entering One Act Play will submit in duplicate to the State Office not later than January 4, a list of the hand properties proposed to be used in the play. This list will be checked by the State Office which will indicate which of the properties may be used. One copy of the approved list will be returned to the school; one copy of the approved list will be sent to the region Secretary. Only those hand properties which have been approved may be used.

DEBATE CIRCLES—An additional option has been provided for in region debates. If the region so elects all of the schools in the Debate will meet at the same place at the same time, and then set up the circles for the region debates to be held at that time.

CLASS A DEBATES AND ONE ACT PLAYS—An experiment has been set up in the Debates and One Act Plays in Class A whereby these events will be held at a later date than those for the AA, B and C, and at a different location. The Class AA Debates and One Act Plays will be held at Commerce High School, Commerce, Georgia, March 9, 1963.

MUSIC FESTIVALS—Dates for the Music Festivals have been set for the various districts. Fridays and Saturdays will be utilized to decrease absences from school. An additional day has been set up for District 5 Instrumental Festival with the evening of March 7 being used with the understanding that no children will be excused from school this day to participate.
