The President's Message

Dear Friends:

During these days of severe pressures to change existing patterns, school men must think clearly and reason accurately. It was Roger Clark who gave us this fine bit of advice: "A real sportsman is a gentleman who plays fair in the strenuous game of life; who is clean of body, mind and soul; who associates with honest men; who is courteous to friends and foe; who is too chivalrous to wound the feelings of others, and too sensible to lower his respect for himself; whose hopes and dreams are founded on the rock of determination; who looks you straight in the eye; who meets victory without boasting, defeat without bitterness, and all life with a smile; and who loves his friends, his country, and his God."

Let me urge each of you to read the Georgia High School Association bulletin and study it carefully. If you should need assistance in interpretation of any part, contact the State Office. Mr. Burke and his efficient staff will gladly help you

Thank you for the opportunity to again serve you as your President. Please feel free to call on me and the personnel of the State Office at any time we may serve you.

Respectfully yours,
 M. E. Nichols, President

From The Secretary's Desk

This section of the Bulletin contains in summary form special information.

STATEWIDE PASSES—Statewide passes are issued for the Superintendent, Principal, Band Director, and the Athletic coaches of the school as listed on the information sheet sent in by the school. Principals are requested to check this list very carefully and to request statewide passes for only authorized personnel.

NEW EVENTS—Rifle and Gymnastics will be operated as State open events. Full details will be found in this Bulletin. Both of these have been operated before but had been discontinued due to lack of interest. With increased participation in both of these, State Championships as open events will be held.

RADIO BROADCASTING—During the year the Georgia Association of Broadcasters has worked in very close cooperation with the schools over the State. Radio stations have given excellent coverage to school events and activities. Very little profit if any, accrues from the large amount of time that the stations utilize for school activities. During the coming school year the Georgia Association of Broadcasters is planning to give increasing publicity to school activities. Schools are urged to contact and to work with their local stations.

ONE ACT PLAY PROPERTIES—The same procedure in regards to One Act Play hand properties as was followed last year will be used again this year. Each school will submit to the state Office a list of hand properties proposed to be used in the play. The list will be checked by the State Office which will indicate which of the properties may be used.

Class AA, A, B and C schools will submit list in triplicate — one copy will be returned to the school and one will be sent to the Region Secretary. Class AAA will submit list in duplicate — one copy will be returned to the school. Only those properties which have been approved may be used.

The information in regards to properties has been slightly changed to provide that no upholstered chairs may be used.

APPROVAL OF CONTESTS—Several years ago at the request of the schools over the State, Item II, Section 2 and Item I, Section 4 were adopted to provide that no school would permit its students to represent the school in any interscholastic contest and/or activity unless such contest and/or activity has been approved by the GHSA. In any contest or activity presented to a school as a school activity, the school should check with the sponsor to ascertain if the contest or activity has been approved. Information can also be obtained

from the State Office.

ESSAY CONTESTS—A year ago the Contest Committee of the National Secondary School Principals Association, Division of the National Education announced that no essay type contest of a National nature would be approved. Last Fall the State Executive Committee of the GHSA indicated that after the 1962-63 school year no essay type contest of a statewide as well as national would be approved. This action was confirmed at the Spring meeting of the State Executive Committee.

In view of this action essay type contests of statewide nature are not approved. Local essay contests—those confined to the schools of an individual school system—will be a matter of local control. The individual school system will determine what type of local essay type contests it will or will not approve for its school system.

TRACK—A change has been made in the State Track meet schedule. In all of the State Track meets the one-mile run will be held as a final the first day. This will avoid having the final in the mile and the two-mile on the same day as the two-mile final will be the second day.

OFFICIAL'S REPORT OF UNSPORTSMANLIKE CONDUCT—When a game official makes a report of unsportsmanlike conduct to the State Office, a duplicate of the report is to be sent to the school concerned.

CLASS A REGION BASKETBALL TOURNAMENT—In order to give the Class A schools a slightly longer season, the deadline for the completion of the region tournament will be the weekend prior to the State Tournament. This will add an extra week for the Class A schools, and decrease the interval between the region and State tournament.

TENNIS AAA—In Class AAA Tennis two entries from each region in each event will qualify for the State Tennis tournament. The first and second place finishers in singles and doubles, boys and girls, qualify for the State tournament.

RULES FILMS—The State Office has on hand an excellent supply of rules films. They are very good for assembly programs, civic club programs, booster club programs as well as for instructional programs for teams. Most of these films are available in color. A complete list of the films available is contained in this Bulletin. Schools are encouraged to utilize these films. A new film on football rules—**THIS IS FOOTBALL**—is available.

ALL STAR SELECTIONS—Item 26, Section 2 of the By-Laws provides that no member of a school staff participate in the selection of any all-state, all-region or all-tournament teams. School ad-

ministrators are requested to call this to the attention of their staff. There are a number of all-star teams selected by various agencies, but school personnel are not expected to participate in the selection of any such teams.

LITERARY AAA—In the 1962-63 school year a very successful program in Literary events was operated for the Class AAA schools. A similar program is planned for this year. A special section in this Bulletin gives general information. Details of the various events are found in the Literary section of this Bulletin. The Literary meet for AAA will be an open State event. If there are a large number of entries the State Office will set up preliminary eliminations.

STATE AND REGION GOLF TIES—In the past several years there have been ties in region (AAA) and State Golf. In any AAA region tournament to qualify contestants for the State Golf tournament, if there is a tie involving individuals, additional hole or holes will be played until the tie is broken; if there is a tie in team competition, there will be an additional hole or holes played by the tied teams until the tie is broken. Ties in the State Golf tournaments of all classifications will be broken in a similar manner.

ELIGIBILITY OF STATE PRESIDENT AND VICE PRESIDENT—In order to be elected as President or Vice President of the Georgia High School Association, a person has to be connected with a member school in an administrative or instructional capacity. A provision has been added that a person elected to either of these offices must continue to be eligible for the term for which elected. This means that if a person elected President or Vice President ceases to be connected with a member school in an administrative or instructional capacity during the term of office, the office becomes vacant.

PHYSICAL EXAMS—Schools are cautioned to be sure that every pupil participating in athletics has on file for the current sports season a certificate from a physician certifying that the pupil is physically fit to participate. Schools are urged to include as a part of the physical exam a check of their entire squad as to the matter of polio, typhoid, and tetanus shots. Schools will practice and play on fields and gyms which have been used for varied purposes. The matter of polio, typhoid, and tetanus shots is very important. No pupil is to be permitted to participate unless a certificate has been filed by a physician approving participation of the pupil.

BASKETBALL RULES CHANGE—EFFECT ON CURFEW—A change in basketball rules provides that the clock will stop on all violations. This will have the effect of adding from 5 to 8 minutes

to both boys and girls games. This change will place added responsibility on the timer. Schools are urged to have competent trained persons as timers.

In order to complete games prior to the 10:00 P. M. deadline, games will have to be started on time; the time interval between halves must be strictly observed; in any case where there is more than one game on a card, a limited amount of time for practice between games will have to be set.

ELIGIBILITY REPORTS—The procedure for the certification of pupils has been simplified. Considerable work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Some of the items to which specific attention should be directed are:

1. Eligibility Certificate—
 - a. Submit original and two carbons.
 - b. List in alphabetical order, last name first.
 - c. Separate report is NOT required for each sport. After a pupil has once been reported and cleared during the year, no further report is needed in the State Office for that pupil during the year.
 - d. Boys and girls may be listed on the same sheet.
 - e. Individual sheet should accompany eligibility certificate for each pupil being reported for the first time by the school.
 - f. Signature of Principal or Superintendent is necessary.
2. Individual Sheet—
 - a. File ONE sheet for each pupil who is being reported for the first time. After an individual sheet has been filed from a school no further individual sheet is necessary from that school for the pupil.
 - b. List name of each pupil in full. Nickname can be placed in parentheses after the name. Listing pupil as "Junior" Jones or "Slim" Jones makes it difficult to identify pupil on future reports.
 - c. Give date of birth.
 - d. Be sure that the section showing date of completion of 8th grade and first entrance into 9th grade is complete and correct. This can affect very seriously the future eligibility of a pupil.
 - e. In case a pupil being certified for the first time is above 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th. Be sure this attendance record is in

agreement with the section showing date of first entrance into grade 9.

- f. If any situation in which a pupil is a transfer to your school from some other high school, it is necessary for you to file an individual sheet for that pupil from your school. Use the space at the bottom of the individual sheet to indicate the situation in regards to the transfer. Quite frequently this will save considerable correspondence.

3. General—

- a. The record submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error made on the original filing can cause difficulty one to three years later
- b. Individual sheets carry the signature of the Superintendent or Principal and should be completed by school authorities based on school records.

RECLASSIFICATION—SPECIAL COMMITTEE—At the Spring meeting, The State Executive Committee directed that a special committee from the membership of the State Executive Committee be appointed to study the matter of reclassification and region distribution. This committee will do the work that has previously been done by the football committee in regards to classification. The matter of reclassification involves all schools and not just football schools, and inasmuch as the State Executive Committee has the responsibility for the final set up it was directed that the State Executive Committee accept the responsibility for the overall planning and recommendations.

It is planned that the Special Committee will make a report to the State Executive Committee probably at a call meeting so that if possible the suggested program can be referred back to schools for consideration prior to final action in November.

The Special Committee will be composed of:

M. E. Nichols, Chairman
Harry A. Brown, Manchester
S. F. Burke, Thomaston
Frank Jernigan, Atlanta
J. W. McAllister, Bainbridge
J. W. Sutton, Lindale
Tom Boyd, Jr., Washington
J. C. Fincher, Doerun

SPORTSMANSHIP—The matter of sportsmanship is one of

paramount importance. Each school is urged to conduct a continuing program of sportsmanship in its school and in its community. Some special suggestions are:

- a. Student assembly programs.
- b. Talks to squads by coaches.
- c. Instruction of cheerleaders.
- d. Talks to Civic Clubs and Booster Clubs re school responsibility
- e. Talks to PTA.
- f. Radio programs by faculty members and students.
- g. Items on game program.
- h. Welcome on loud speaker with appropriate remarks by a student leader, faculty member, or civic leader.
- i. Distribution of cards of welcome—items of good sportsmanship on reverse.
- j. Faculty cooperation—remarks in home rooms.
- k. Notices on bulletin boards.

In connection with sportsmanship emphasis should be placed on the fact that athletics are a part of the school program and that the school is responsible for the program. Special emphasis should be given that those who represent the school—athletes, bands, cheerleaders, drill squads, pep squads, etc.—are the REPRESENTATIVES of the school and should so represent the school as to reflect credit on the school and the community.

SPOTLIGHT ON SPORTSMANSHIP—In order to put the spotlight more strongly on good sportsmanship during one week of the basketball season—date to be announced later—a special drive will be conducted statewide to put the spotlight on sportsmanship.

Schools will be asked to conduct special activities and to extend special courtesies to visitors.

MIGRATORY RULE—The migratory rule applies alike to all member schools. A pupil who transfers from a private school to a public school, or from a public school to a private school is subject to the same standards of eligibility. There are no exceptions made because of the type of transfer.

NOTIFICATION OF ENTRY IN SPECIAL STATE EVENTS—Notification of entry in Cross Country, Swimming, Wrestling, Rifle, Gymnastics, and Golf AA, A, B and C must be made in writing to the State Office by the deadline given in the section regarding each of these events. These events are planned based on the number of entries. Only those schools who file notification of entry prior to the deadline will be permitted to enter

FILING OF HARDSHIP CASES—In order for a case to be

considered by the Hardship Committee complete information must be filed by the school concerned in writing with the State Office at least ten days prior to the meeting of the Committee. Postmark date will be considered as the time of filing. Complete information is necessary as the Committee may not be able to act on what might be a good case if all of the information were complete. An early filing date makes it possible to notify the Secretary of a region of any school in the region filing a case. When a case is heard a representative of the school concerned along with the pupil involved is expected to be present.

CHANGE OF A RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9—A policy was set up several years ago by the State Executive Committee that any request for a change in the record as to date of first entrance into grade 9 must be accompanied by a check, money order or cash in the amount of \$10.00, and that the records of the school making the request for change be checked by some person designated by the State Executive Secretary-Treasurer with the recommendation of the person making the examination being necessary before any change can be made.

Upon receipt of a request accompanied by the necessary fee, the State Executive Secretary-Treasurer will designate a visiting examiner to check the records of the school concerned. The visiting examiner checks the records and makes recommendations to the State Executive Secretary-Treasurer who acts on the recommendation.
