The President's Message

Schools exist for the education of boys and girls. The Georgia High School Association is a part of the educative process. We promote the appreciation of music, homemaking, literary events, fine arts, and athletics. We try to prevent the exploitation of students.

You are aware that Mr. and Mrs. S. F. Burke have made known their desire to retire shortly after the 1975-76 school year unless there are unusual circumstances. Mr. and Mrs. Burke have worked for the Georgia High School Association in its present form for over thirty years. In fact, Mr. Burke is the only Executive Secretary-Treasurer the Georgia High School Association has had since we employed an Executive Secretary-Treasurer full time. I know you will want to let Mr. and Mrs. Burke know in some manner of your appreciation for the fine job they have done for the school people, the boys and girls, and for education in our state.

A committee has been appointed to set up a program and promotion to honor the possible retiring Executive Secretary and his wife. If you have ideas, get in touch with the Committee who are listed in the 1975-76 Georgia High School Association Bulletin. If the committee calls on you to help, please respond. The chairman of the Committee is Mr. Maxwell Ivey of the Atlanta School System, representing Region 5AA.

You are urged to read carefully the Georgia High School Association Constitution and By-Laws. You will please note the changes made since the last bulletin was issued for 1974-75.

The Executive Committee has honored me by electing me as President of the Georgia High School Association for the 1975-76 year. It will continue to be a challenge and a pleasure to serve you and the boys and girls of Georgia. Thank you for the opportunity.

Please join me in thanking Mr. Burke, Mr. Fordham, and the ladies in the office for the efficient and friendly manner in which they conduct our business. You have a cordial invitation to visit the Georgia High School Association office in Thomaston when you can, and when you have need of the information and services rendered by the office.

May you have a happy and successful school year!

M. E. Nichols, President

From The Secretary's Desk

BASKETBALL — There have been several very important changes in the basketball program.

- a. Beginning with the 1975-76 season the National Federation rules for girls will be used. This is known as the five-on-five, which is similar to the boys game with a few minor variations.
- b. The 10:15 p.m. curfew on a night prior to a school day has been eliminated.
- c. In any regular season schedule involving a double-header, usually a girls game and a boys game, the first game must begin not later than 7 p.m., and the interval between the first and the second game must not exceed 15 minutes. This means that the second game must begin not later than 15 minutes after the first game has ended.

COMMERCIAL CONTESTS — In the commercial contests the requirement to use electric typewriters has been eliminated and contestants may use manual or electric. The time for the typing contest has been changed to five minutes. It has been made clear that eraser type ribbons may not be used on typewriters.

CROSS COUNTRY — There has been a change made in the Class A and Class B Cross Country. Instead of competing together in an open State meet, these classifications will follow the same plan as AAA and AA. There will be competition by regions with the qualifiers competing in the State Cross Country. There will be separate meets at State level for A and B just as for AAA and AA.

There has been some sentiment expressed to hold a Girls State Cross Country meet. If indications show that enough schools are interested in such a meet, such will be held.

FOOTBALL — A change has been made in the Spring football practice and beginning of practice in pads in late summer. By action of a region which will affect only the schools in that region, one week of Spring practice may be eliminated, and by doing so the schools in that region may put on pads one week earlier than the beginning date for practice in pads. Any region that takes such action should show such in its region minutes and file a copy with the State Office.

GYMNASTICS — There have been several changes in the Gymnastics program.

- a. In the preliminary or area meets the first three in each event the first two teams will qualify for the State final meet.
- b. For team competition a school must have four entries in each event and the score of the entire team of four in each event will determine team score.
- c. The requirement in girls preliminary or area meets that a contestant score 6.5 or better in the compulsory routine to qualify for the preliminary or area optionals, has been eliminated.

SOCCKER — The exceptions that have been made in regards to overtimes and quarters have been eliminated and Soccer will follow the National Federation rules.

SWIMMING — In the State Swimming meet points will be counted for twelve places. The first six qualifiers (1-6) will compete in the championship finals. The second six qualifiers (7-12) will compete in the consolations.

TENNIS — A change has been made in Tennis on a region level to provide that each region may determine the number of entries that a school may have in a region tennis meet. This does not change the number of entries from a region to State Tennis tournament. A special committee has been appointed to study the tennis program and to make recommendations to the State Executive Committee.

WRESTLING — The special provision for a weigh-in five hours prior to a dual meet, has been eliminated and wrestling will follow the National Federation rules.

BAND DAYS — A school is clear to participate in one approved Band Day. Listed below are those that have been approved to date. Others may be approved later. If you are invited to a Band Day not listed below, contact the State Office for information.

Approved band days and dates:

Georgia Tech, Atlanta, Georgia — Sept. 20, 1975

Jacksonville State, Jacksonville, Alabama — Oct. 25, 1975

Troy State, Troy, Alabama — Oct. 25, 1975

University of Georgia, Athens, Georgia — Nov. 1, 1975

BICENTENNIAL PROGRAMS — In connection with the Bicentennial celebration schools will probably receive many requests to participate in some special contest or activity. Be sure that you check with the contest or activity sponsor to ascertain if the project has been cleared with the GHSA. The GHSA is working in cooperation with the State and National Bicentennial Committees and can advise schools what events have been cleared and what have not. There will probably be a number of individuals or groups that will attempt to use the "Bicentennial" tag to use schools for their own benefit. Each school is advised to check carefully to ascertain if a project has been cleared. The following projects have been cleared and are open to any member school:

- a. Bicentennial Debates and program by the Bicentennial Youth Debates.
- b. Williamsburg Debates (Entry will be the winner and runner up in the all class debates.)
- c. Allentown, Pennsylvania, Marching Bands (Bands are already in the process of elimination for this.)

CHANGE OF RECORD AS TO DATE OF FIRST ENTRANCE INTO GRADE 9 — A policy has been set by the State Executive Committee that any request for a change in record as to date of first entrance into grade 9 must be accompanied by a check, cash, or money order in the amount of \$10.00, and that the school making such request for change be checked by some person designated by the State Executive Secretary-Treasurer, with the recommendation of the person making the examination being necessary before any change is made.

ELIGIBILITY REPORTS — The procedure for the certification of pupils has been simplified. Work and time can be saved for the school administrator and the State Office if eligibility reports are properly filled out. Items to which specific attention should be directed are:

1. Eligibility Certificate

- a. Submit original and two carbons (1 is returned to the school; 1 goes to the region; 1 remains in the State Office.)
- b. List pupils in alphabetical order, last name first.
- c. Separate report IS NOT required for each sport. After a pupil has once been reported and cleared during the school year, no further report is needed for that pupil during the school year.
- d. Boys and girls may be listed on the same sheet.
- e. For each pupil being reported for the first time by a school, an individual sheet for that pupil should accompany the eligibility certificate.

2. Individual Sheet

- a. File ONE sheet for each pupil who is being reported by the school for the first time. After an individual sheet has been filed by a school, no further individual sheet is necessary for that school for the pupil.
- b. List the name of the pupil in full. Nicknames can be placed in parentheses after the name. Listing a pupil as "Junior" Jones or "Slim" Jones, makes it difficult to identify pupils on future reports.
- c. Give date of birth—indicate authority for birthdate. You will be assisting a pupil if you require the pupil to furnish a birth certificate.
- d. The section showing date of completion of 8th and first entrance in 9th should be complete and accurate. An error in this section can seriously affect the future eligibility of a pupil.
- e. When a pupil certified for the first time is above the 9th grade level, be sure to fill in the attendance record by years to show where and when in each grade beginning with 9th. Be sure that the section is in agreement with the section showing date of first entrance into grade 9.
- f. If a pupil is a transfer to your school, it is necessary that you file an individual sheet for that pupil from your school. Use the space at

the bottom of the individual sheet to indicate the situation in regards to the transfer. Frequently this will save correspondence and establish the pupil's status without delay. Information as to where the pupil lived last year, with whom, relation, and where and with whom the pupil is living now and their relation will help to clear your report.

3. General

- a. The report submitted to the State Office becomes a permanent record. Care should be utilized to have the individual sheet complete and correct as an error on the original filing can cause difficulty one to three years later.
- b. Signature of the Principal or Superintendent is required on the individual sheet.
- c. Individual sheets should be completed based on school records. Sheets should not be filled out by the individual pupil involved.

POLICY IN REGARDS TO FIELD MARCHING BANDS, CONCERT FESTIVALS — Full information in regards to approval of Marching Bands, Concerts, Festivals, etc., is printed in the 1974-75 GHSA Bulletin. Before entering any of the above type events be sure that it has been approved. Listed below are those that have been approved to date for any member school. Others may be added later. To avoid any difficulty or conflict, if an event is not listed below do not commit your school to participation without clearing with the State Office.

Events that have been approved are:

Douglas County H. S., Douglasville, Ga., Marching Band Festival
 Valdosta H.S., Valdosta, Ga., Marching Band Festival
 East Rome—West Rome, Rome, Ga., Peach State Festival
 Mid South Festival, Gasden, Alabama
 Middle Tennessee Marching Bands Festival, Murphreesboro, Tenn.
 Miracle Strip Marching Band Festival, Fort Walton Beach, Florida
 Oxford Festival, Oxford, Alabama.
 Tri-State Festival, Chattanooga, Tenn.
 Dogwood Festival, Knoxville, Tenn.
 Governor's Marching Band Festival, Dalton H.S., Dalton, Ga.
 East Georgia Marching Bands, Statesboro, Ga.
 Six Flags Over Georgia Marching Bands, Atlanta, Ga.
 DeSoto Festival, Bradenton, Florida
 Bicentennial Original States Marching Bands, Allentown, Penn.

PARTICIPATING ON OUTSIDE TEAM OR RECEIVING PRIVATE INSTRUCTION DURING THE SAME TIME WHILE PARTICIPATING ON A SCHOOL TEAM — There have been some problems with students receiving private instruction in a sport while participating on a school team. The rule which bars a student from participating on an outside team while participating on a school team has been expanded to cover private instruction while participating on a school team. This means that after a student reports out for a school

team, from then on to the end of the school season in that sport, that the student may not receive private instruction without loss of eligibility.

PASSES — The regular GHSA pass has been altered to show that it is good for admission for the person listed on the pass and one other.

RECLASSIFICATION — Reclassification will be made this year as provided in the Constitution. There has been a Constitutional change approved by the State Executive Committee to provide that in the reclassification to use the ADA Figures for grade 10-12, regardless of whether or not a school uses 9th graders in varsity program. By using the one-third adjustment for schools with 9-12 several other problems developed. The change will put all schools on the same basis. In addition the change makes it clear that the State Executive Committee will set the figures for each class at reclassification period and assign schools to regions and classifications. This action by the State Executive Committee was taken at the Spring meeting and this serves notice that a copy of this action was sent to every region secretary as provided in the Bulletin, so that final action on this amendment may be taken at the Fall meeting.

TECHNICAL-VOCATIONAL SPECIAL SENIOR PROGRAM — A senior attending a Technical-Vocational school under the special senior program, who is eligible in all other respects, retains eligibility in home or residence school. This does not apply to students attending college or institution of higher learning, but only to those seniors under the special program.

TRANSFER OF STUDENTS FROM ALTO AND/OR YOUTH DEVELOPMENT CENTERS — There has been some difficulty in regards to transfer of students from Alto and Youth Development Centers as to whether this was a change of schools which applied the migratory rule and-or a question of credits passed the prior quarter or semester and the validation of such credits. In order to clear this situation a special provision has been made that students who make such transfer can regain eligibility after being in attendance for one quarter or semester, based on the local program. This means that the pupil must be in attendance, passing the necessary work, and meeting all other eligibility requirements.

TRANSFER OF STUDENTS FROM NON-MEMBER GEORGIA PRIVATE SCHOOLS — A special provision has been made for the return to the school of their residence all those students who during the 1974-75 school year attended non-member Georgia private schools. The migratory rule will not apply to any such student returning to the high school of his residence provided that such return be made not later than the first ten days of the 1975-76 school year.
